Pick–Up Authorization

HOPE Lutheran Early Learning Center

We will be using a computer for the purpose of signing children in and picking them up each day. Each person who may pick up your child will have an identification number to punch into the computer.

The people listed below have my authorization to pick up my child from the program. I will inform my child's director/teacher, each time a special pick-up is necessary. The I.D. number will be filled in before the person picks up the child for the first time.
